

SEED THE REVOLUTION

MK 9782 CONV

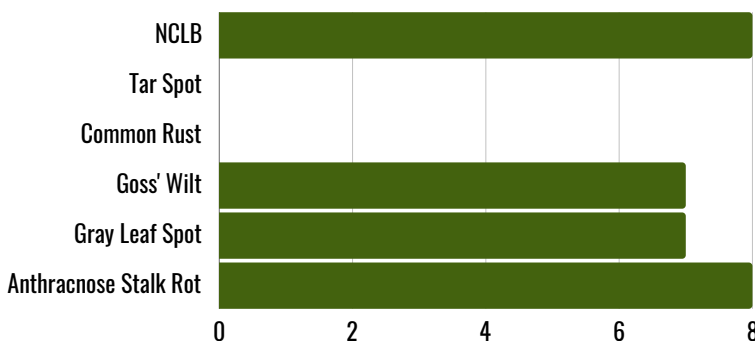

PRODUCT HIGHLIGHTS

- **VERSATILE SOIL WARRIOR:** Doesn't care if you're throwing light, heavy, or variable ground at it - this hybrid shows up ready to work from I-94 and south
- **STRAIGHT TALK ON TIMING:** Takes its sweet time to flower and tassel - plant it in zone or south where it belongs, and stay clear of western Dakota dryland acres
- **HARD-HITTING YIELD POTENTIAL:** Built to deliver serious yield performance when positioned right, with the backbone to handle western conditions on irrigated ground
